

Home Learning Arrangements

In Year 7, students are set three compulsory tasks per week (English, Maths and Languages) and three non-compulsory tasks per week (Geography, History and Science). All home learning is accessed using online platforms to support students with long term knowledge retrieval and retention. Students will use their normal school logins to access all websites with the exception of LanguageNut, where logins will be provided in class over the next week.

Homework is set every Monday and is due in the following Monday, allowing students a full week to complete all tasks. The first round of homework tasks will be set on **Monday 16th September**. You will find the Home Learning Overview for Term 1 in the Newsletters section of our website.

To encourage students to complete the non-compulsory home learning tasks, we will be awarding School Values points for all students who do this. Any student who does not complete the compulsory homework tasks before the deadline will receive a lunchtime detention to complete the missed work. Lunchtime detentions will begin for Year 7 from Monday 30th September to ensure that all students have time to resolve any issues with logins and access.

Homework Support Club (3:30-4:30pm) will begin on Tuesday 17th September for any students wishing to complete their homework at school. Please indicate your preference for this on the extra-curricular options form you complete next week.

For any support with homework, please contact Miss Collis at hannah.collis@chilmingtongreenschool.org.uk.

	Subject	Online Platform	Access	Staff Contact
Compulsory Homework	English	Sparx	'Login to Sparx Using Microsoft'. Students should use their school username and password.	Sophie.fox@chilmingtongreenschool.org.uk
	Maths	Sparx Maths	'Login to Sparx Using Microsoft'. Students should use their school username and password.	Thomas.cosser@chilmingtongreenschool.org.uk
	Languages	LanguageNut	Password will be shared by Mr Comparetto and all students will note this in their exercise books.	Frankie.comparetto@chilmingtongreenschool.org.uk
Non-Compulsory Homework	Geography	Seneca	'Continue with Microsoft'. Students should use their school username and password.	Hannah.collis@chilmingtongreenschool.org.uk
