

Dear Parents/Carers

Welcome back to the final term of the academic year. All pupils will have their end of year assessments this term, which will test all the knowledge and skills they have been learning since September. It is also a term of great opportunities outside of the classroom, with Sports Day, Enrichment Week and the whole school's preparation for our move to the final site. Please be reminded that there will be no extra-curricular clubs after Thursday 26th June. I hope you all make the most of the opportunities offered to you and have a wonderful term ahead.

Welcome to Year 6 Students and Families

I would also like to take the opportunity to welcome our new Year 6 cohort to the school. We are very much looking forward to you visiting the school for your transition day in a few weeks' time. You will have received the dates and arrangements for the days. If you have any queries about either the transition day or our arrangements for September, please do contact us at info@chilmingtongreenschool.org.uk

Transport Update

You will find a letter in the Newsletters part of our website from David Adams, Assistant Director of Education, Kent County Council. This will update families on transition arrangements to our new site. To support with communication regarding transport eligibility, we will share parent/carer email addresses with the Kent County Council Transport Team. If you have any objection this, please do let us know by Thursday 5th June at info@chilmingtongreenschool.org.uk

Consent Assembly

Our established external partner, Talk Consent, will be delivering an assembly for students in Year 7 during the coming term. The assembly is carefully tailored to align with students' developmental stages, ensuring all material is appropriate and presented in a relatable and sensitive manner. The team at Talk Consent aim to create an environment where students feel comfortable engaging, asking questions, and discussing these important topics.

During this assembly the focus is on helping students understand the importance of boundaries and empowering them to uphold their own. The meaning of consent is introduced in an age-appropriate way.

The session will cover:

- What personal boundaries are
- How we can communicate assertively to uphold our boundaries
- What consent means
- How someone might be affected if something is done without their consent and how they can receive support if that happens

As a school community, we are committed to working in partnership with parents. If you would like to find out more, please contact us at info@chilmingtongreenschool.org.uk

Enrichment Week (Monday 7th July – Wednesday 9th July)

Students will wear their full PE kit for these three days. Please provide a packed lunch for your child and free school meals/paid meals will be provided with a packed lunch.
